

## Dormitory Information For Special International Students

Rikkyo University offers special international students (including incoming exchange students from partner institutions) five dormitories in cooperation with external contractors by signing the rental contract. All the rooms of each dormitory are single and furnished so that you can start your life in Japan smoothly. Special international students are able to apply for five dormitories as follows.

① RIR Shiinamachi   ② RUID Asakadai   ③ RUID Shiki   ④ Rikkyo Global House   ⑤ Comfort Ikebukuro

### << IMPORTANT >>

**Please read the following conditions before applying for dormitories.**

#### ◎ Dormitory and room assignment

- Rikkyo University makes all decisions regarding dormitory and room assignments depending on the number of incoming exchange students. Although there are differences in the dormitory fee and facilities among five dormitories, only those who are willing to stay in any of the dormitories can apply for a room. **You cannot select or refuse any particular dormitory. Please note that your preference cannot be guaranteed due to the availability of rooms at each dormitory.**
- Once the housing arrangement is made by the university, you cannot change or cancel the accommodation. Therefore, you must read the information of the dormitories carefully and understand conditions completely before your application.

#### ◎ Payment of the dormitory fee

- The dormitory fee will be charged per semester, and must be deposited directly into the designated bank account of the cooperated management company by the due date. Note that **installment payments are not allowed.** Therefore, please consider well how to bear the dormitory fee before applying for the dormitories.

#### ◎ Possibility of Change

- The information regarding the dormitories such as the dormitory fee and facilities which are explained in this document are subject to change in the future. **A consumption tax hike is planned from October 2019.**
