Visiting students are not able to take Introductory Economics (Econ 1, 2, or C3), Microeconomics (Econ 100A or 101A), Macroeconomics (Econ 100B or 101B), or Econometrics (Econ 140 or 141) at UC Berkeley.

Course Numbering System

#1-99: Lower Division courses, appropriate for students in their first or second year, or learning a new subject.

#100-199: Upper Division courses, appropriate for students in their junior or senior year in their area of study.

#200-299: Graduate Courses. Very advanced courses for students in their subject area. Enrollment in these courses is very difficult, and only recommended for students in their final year of undergraduate study, in their field of study.
