AMERICAN SEMESTER  
PROGRAM

# 2019

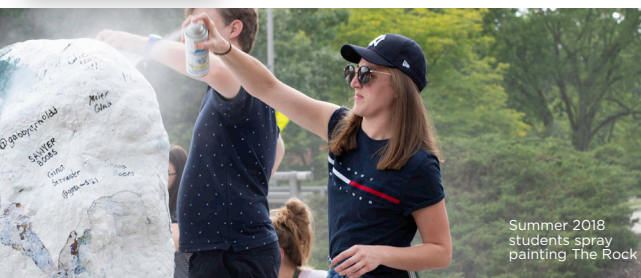

## SHORT COURSES

The ASP Short Course Program takes place on the beautiful and vibrant Michigan State University Campus. Students participate in one 3-week ASP Short Course Program designed to transfer back to their home institution.

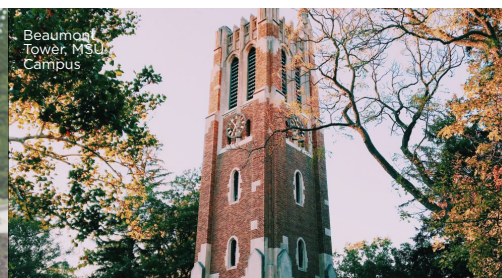

Each Short Course is taught by full-time MSU faculty and is designed to be equivalent to 3 US-credits. Courses include assignments, assessments, group work, and a final evaluation.

To enhance course content, ASP Short Courses may feature guests lectures or a relevant field component.

In addition to many activities around MSU's campus, students may visit Chicago and Detroit, go on a shopping trip, experience an American sporting event, take a dip in Lake Michigan, and have a delicious BBQ at a nearby lake. The program ends with an American-style graduation ceremony.
