

Application procedure for incoming exchange students

Dear Partner,

We are pleased to inform you that the registration procedure for incoming students who wish to study at the Université Paris 1 Panthéon-Sorbonne during the 1st semester or the full academic year 2017-2018 is now available on the web site <http://u-p1.fr/incoming-en>. Students are highly advised to carefully read all given information [here](#).

1. Students have to fill in the online application form **before 30th June 2017** .
2. **Language Certificate:** We insist that our exchange students should have a minimal knowledge of French (English if all their courses are in English) to attend classes and take exams. Therefore we ask them (if it is not their mother tongue) to join to their Application Form a document testifying their level of French (or English). The minimal required level is B2.
3. **Learning agreement:** The document needs to be established and signed by you, the academic coordinator of your university and the academic coordinator at Paris 1. You can find the list of academic coordinators here. Courses available for exchange students are published on our website here.
4. Students will be processed within 4 weeks of submission. They will receive an admission letter and, later, information on the necessary steps for the online administrative registration in Paris I Panthéon-Sorbonne.

We remain at your disposal for any further information you would need.

We are looking forward to welcoming your students and continuing our cooperation with your institution.

Best regards,
The Mobility Office
