<b>Housing</b>	<p>Housing assistance is available. Due to a large number of students and shortage of rooms it is usually very hard to find housing in Utrecht. Therefore Utrecht University reserves a limited number of housing options for exchange students with the independent housing corporation (SSH).</p> <p>Students have to arrange housing themselves, either via SSH or independently. The number of accommodation that Utrecht University reserves with SSH is limited, and is offered on a first come first serve basis. If a student applies in time, chances of finding accommodation through SSH Short Stay are good. Participation in the Reserved Accommodation Programme is optional and subject to a non-refundable fee of 300 euros charged by Utrecht University. This fee partially covers the expenses made by Utrecht University to facilitate this programme for eligible students. The fee is only charged to students who have successfully booked reserved accommodation.</p>
