**2. Academic Credit**

GSP students earn University of California academic credit for all campus classes. UC credit is awarded on a quarter “unit” basis, generally considered equivalent to 67% of a US college semester credit. Students who successfully complete GSP academic-prep language classes will be awarded continuing education units credit at a rate of 1 unit per 10 hours of instruction. In general students carry a minimum of 12 units and a maximum of 13 units of approved UC Davis credit courses. Exceptional students may petition to take up to 16 units of approved credit.

## **7. UC Davis International Student Health Insurance Plan**

This comprehensive plan provides access to high-quality, affordable medical services on-and off-campus. Purchasing this plan does not mean that you receive free medical care. It does mean that the cost of your medical care is significantly reduced -- you pay only a portion of your medical costs and the insurance pays a portion of your medical costs. This is also true of virtually all health insurance plans in the United States. Translated versions of the brochure are available in Korean, Japanese, Chinese, French, Portuguese, Spanish and Turkish. For more information, visit: <http://www.renstudent.com/>

Any student who already carries equivalent medical insurance coverage may apply for a waiver instead of purchasing this insurance; such students should be prepared to pay in advance for any medical care and seek reimbursement from their insurer. UC Davis policy requires that they have a minimum total coverage of \$250,000 and the following provisions:

- Medical benefits of at least \$50,000 per accident or illness
- Repatriation of remains in the amount of \$7,500
- Expenses associated with medical evacuation in the amount of \$10,000
- Deductible not to exceed \$500 per accident or illness.

## **8. Accommodation**

We offer two excellent housing options for Global Study Program students: rental apartments or home-stay arrangements. GSP students make their own housing arrangements with guidance from GSP advisors. Housing options include:

- a. **Rental Apartments.** Some students prefer to secure their own accommodations, perhaps through friends or relatives. A housing website popular with UC Davis students is [www.chl.ucdavis.edu](http://www.chl.ucdavis.edu).
- b. **Homestay with a Local Family.** Our Center for International Education (CIE) Housing office helps individual students with a variety of housing options, including homestay, apartments and dormitories (summers only). If you would like more information or assistance in finding a homestay, please contact us at [ciehousing@ucdavis.edu](mailto:ciehousing@ucdavis.edu).

At present on-campus dormitories are not available.

## **9. Student Conduct**

- a. All Global Study Program students are required to adhere to UC Davis and UC Davis Extension academic and behavior standards as outlined in the Global Study Program Arrival Handbook. UC Davis Extension reserves the right to dismiss any student from the program who fails to meet the University of California academic, attendance, or behavioral standards.
- b. Students are required to maintain a minimum grade point average of 2.0 at all times and will be asked to meet with a Global Study Program advisor to discuss any failed class or other unfavorable report from an instructor. Global Study Program advisors will closely monitor participating students, their academic and personal progress and will consult with the home university on issues of serious concern. Students who receive failing grades for multiple quarters will be subject to dismissal.

## **10. Transcripts and Certificates of Completion**

Students receive two final transcripts (one official copy is sent directly to the home university) approximately 2 months following the conclusion of their study abroad at UC Davis. Students may also receive a certificate of completion after the successful conclusion of their studies.
