

## Fact Sheet for the Institute of Technology

Information valid for academic year	2015/2016
Name of the university and Erasmus code	Linköping University, Institute of Technology S LINKOPIO1
Type of exchange agreement	Bilateral (non-Erasmus)
General Information about the University (location, number of students, faculties)	<p><b>Linköping University</b>  <b>Linköping University (LiU) came out top in response to the question “Overall, how satisfied are you with all aspects of your University experience?” in the 2011 International Student Barometer conducted by the British company I-Graduate.</b></p> <p>Linköping University (LiU), which has approximately 27 300 students, is situated in East Sweden, 150 km south of Stockholm. LiU has four campuses: Valla Campus and University Hospital Campus (both in Linköping), Campus Norrköping (in Norrköping) and Carl Malmsten Furniture Studies (in Stockholm).</p> <p>LiU is organised into four Faculties: Arts and Sciences, Health Sciences, Educational Sciences and the Institute of Technology.</p> <p><b>The Institute of Technology</b>  The Institute of Technology with more than 9 000 students is one of Sweden’s major faculties of engineering and science. It is an education provider with an international reputation for high quality and border-crossing education. Nationwide polls of graduates of Swedish universities have consistently top-ranked LiU’s Institute of Technology in key areas such as educational quality, student social life and preparation for the job market.</p> <p>The Institute of Technology provides education at all levels in five main disciplines:</p> <ul style="list-style-type: none"> <li>• Computer Science, Information Technology, Media Technology and Visualisation</li> <li>• Electrical Engineering, Applied Physics and Computational Sciences</li> <li>• Mechanical Engineering and Design</li> <li>• Industrial Engineering and Management</li> <li>• Biology, Chemistry, Biotechnology and Biomedical Engineering</li> </ul> <p>Education is conducted at all four campuses in the cities of Linköping, Norrköping and Stockholm.</p>
University website	<a href="http://www.liu.se/?l=en">http://www.liu.se/?l=en</a>
Our Campuses	<p>LiU has four campuses: Valla Campus and University Hospital Campus (both in Linköping), Campus Norrköping (in Norrköping) and Carl Malmsten Furniture Studies (in Stockholm).</p> <p>The majority of the Engineering and Science students study in Linköping at Campus Valla.</p> <p>A few courses, especially in Biomedical Engineering, are given at the University Hospital Campus in Linköping. At Campus Norrköping students can study courses mainly in the areas of Transport Systems and Media Technology. At the Carl Malmsten campus in Stockholm students can take courses in furniture design.</p>

	<p>A bus free of charge connects the campuses in Linköping with Norrköping with a travel time of about 40 minutes. <a href="http://www.liu.se/om-liu/campus?l=en">http://www.liu.se/om-liu/campus?l=en</a></p>

Educational system	<p>LiU uses the ECTS credit system (European Credit Transfer and Accumulation System) in which 60 credits represent the workload of one year of study. The educational system in Sweden is divided into three cycles:</p> <ul style="list-style-type: none"> <li>• First cycle (undergraduate/bachelor's): 180 ECTS</li> <li>• Second cycle (graduate/master's): 120 ECTS</li> <li>• Third cycle (postgraduate/doctoral - PhD): 240 ECTS</li> </ul>
Website for exchange students	<p><a href="http://www.liu.se/utbildning/exchange-students/?l=en">http://www.liu.se/utbildning/exchange-students/?l=en</a></p>
Website for course offer	<p>LiU offers more than 300 courses taught in English: <a href="http://www.liu.se/utbildning/exchange-students/?l=en">http://www.liu.se/utbildning/exchange-students/?l=en</a></p> <p>Course offer at the Institute of Technology: <a href="http://www.lith.liu.se/sh/en/courses_in_english.html">http://www.lith.liu.se/sh/en/courses_in_english.html</a></p>

	<p>How to select courses: <a href="http://www.liu.se/utbildning/exchange-students/institute-of-technology/select?!=en">http://www.liu.se/utbildning/exchange-students/institute-of-technology/select?!=en</a></p> <p>Make up your timetable: <a href="http://www.liu.se/utbildning/exchange-students/institute-of-technology/timetable?!=en">http://www.liu.se/utbildning/exchange-students/institute-of-technology/timetable?!=en</a></p>
Which departments/schools are open for exchange students (courses taught in English) and at which level?	All departments at the Institute of Technology (Faculty of Engineering and Science) are open for exchange students at the undergraduate and graduate levels if they fulfil the course requirements.
Is it possible to take courses from different faculties/schools?	Yes, but in practice it is difficult due to parallel schedules. Students admitted to study at the Institute of Technology may take up to one course (7,5 ECTS credits) at another faculty.
Course offer: Language courses	Swedish language courses: <a href="http://www.liu.se/utbildning/exchange-students/swedish-language-courses?!=en">http://www.liu.se/utbildning/exchange-students/swedish-language-courses?!=en</a>
Credits equivalent to full time studies per semester	30 ECTS
Grading system	<a href="http://www.liu.se/utbildning/exchange-students/study-information?!=en">http://www.liu.se/utbildning/exchange-students/study-information?!=en</a>
Issuance of transcript of records	A Transcript of Records can be issued within 5 weeks after the assessment period has finished. Note, however, that at Linköping University it is the individual student's responsibility to apply for an official Transcript of Records generated from the university's Student Records System.
Semester periods	Fall Semester: August/September-January Spring Semester: January-June For updated information, please visit: <a href="http://www.student.liu.se/studieadministration/terminstider?!=en&amp;sc=true">http://www.student.liu.se/studieadministration/terminstider?!=en&amp;sc=true</a>
Website for application process	<a href="http://www.liu.se/utbildning/exchange-students/institute-of-technology?!=en">http://www.liu.se/utbildning/exchange-students/institute-of-technology?!=en</a>
Application deadline(s) for admission	April 15: Fall Semester October 15: Spring Semester
Decision on admission of nominated students will be sent (date/time period)	Decision on admission of nominated students will be sent within 10 weeks
Language requirements (TOEFL score, IELTS, etc) for undergraduate and graduate students	Good command of English. Good command of Swedish if the student intends to enroll in courses taught in Swedish. No proof of language test is required.
Housing assistance	Yes, accommodation is guaranteed for students outside Europe if they send in their application on time.
Website for housing	<a href="http://www.liu.se/utbildning/exchange-students/application-and-preparations/apply-for-accomodation?!=en">http://www.liu.se/utbildning/exchange-students/application-and-preparations/apply-for-accomodation?!=en</a>
Application deadline(s) for housing	April 15: Fall Semester October 15: Spring Semester
