Winter Outdoor Activities
Color the winter experience while in a fun snowy white, CAU winter program offers wonderful experience in physical activity through ski trip.

Make your International Family
Join our welcoming, friendly program and meet students from all over the world.

Reviews of CAU International Program

Yee Tian Doo - University of Macau
All of this is more than I expected. This winter program is awesome, everything is well organized and all the activities are fun. I have met some new friends, more knowledge about this country, all of this is more than I expected.

Ahmed Salahuddin - Strata University
I got to experience a lot of things I have been able to do before. The winter experience in Korea with Chung-Ang University was really great. The course was all great and very informative, opening doors to knowledge about culture, language, entertainment. I got to experience a lot of things I haven't been able to do before, like being in the dorm and having a roommate, because not so many people do in my home country.

Affs Eri Berardiyazid - University of Indonesia
The lectures were engaging and surprising. The CAU Winter was a very satisfying program to follow through. I had the best time enjoying Seoul with my fellow exchange students, not only I have experienced the Korean culture by myself, I also gained knowledge of what shaped the culture. The lectures were engaging and eye-opening. The choice of lecturers were also very satisfying. They all speak perfect English so that we understand all the materials given.

Emrali Zunar - Universiti Stratez Universiti
It made me feel in line with Korea even more. The special lectures about culture and music are very interesting and I am glad that I joined this program. Overall, it was very memorable and meaningful experience for me. I definitely want to visit Korea Chung-Ang University again.
