### Application process and course offer
For our course catalogue as well as all necessary application information, see the link below. Students can select courses within different subject areas offered by different departments at LiU, provided they meet the prerequisites.

### Nomination
Students need to be nominated by their home university for exchange studies at LiU. Please consult with a student exchange coordinator at your home university regarding the options available to you.

### Nomination deadlines
- March 15: Autumn Semester as well as coming Academic Year
- September 15: Spring Semester

### Application deadlines
- April 15: Autumn Semester as well as coming Academic Year
- October 15: Spring Semester

### Credit and application requirements
Non-EU students must apply for and be admitted to at least 30 ECTS credits per semester as this is a requirement by the Swedish Migration Agency to be granted a residence permit:
https://www.migrationsverket.se/English/Private-individuals/Studying-in-Sweden.html

### Language requirements
No proof of language is required. Students should, however, show a good command of English to follow the technical courses properly.

### Decision on admission
Decision on admission of nominated students will be sent within 10 weeks.

### Housing assistance
Students outside the EU will be prioritized when allocating accommodation through LiU. European students will be offered accommodation if available. More information:
https://liu.se/en/article/accommodation

### Insurances and visa/residence permits
