Affectionately called “Berkeley” or “Cal,” it is famous for its top scholars, social activism, innovation, and diverse student body. In other words, “Brilliance in Action.”

Berkeley’s professors are some of the best in their fields, engaged in groundbreaking research, innovative thinking, inspiring teaching, and service to society. No less than seven of the university’s current faculty hold the Nobel Prize, demonstrating the level of expertise offered at this premier university. In our globalized world, UC Berkeley famously continues to promote free speech and thoughtful debate as the world of work and social networking becomes increasingly diversified.

The campus is vibrant and alive with some of the best undergraduate and graduate students from California and all over the world, who actively engage in campus life and in the community. The campus and surrounding areas are rich in culture, with unlimited opportunities to experience life in California and the U.S.

As a result of the university’s continued research and academic excellence, UC Berkeley is at the top of multiple world rankings. Every year it has been named one of the world’s “Elite Six” global university brands, according to the Times Higher Education. Additionally, UC Berkeley has been named the number one public university in the 2020 US News and World Report global rankings of universities, as it has been for the past five years.

UC Berkeley is located in the city of Berkeley, California, and is a mid-sized city known for its progressive policies and viewpoints, and is a hub of creativity and counterculture. It is just 20 minutes from iconic San Francisco. “Studying in Berkeley gave me a chance to network and meet people that think a different way than I am used to. I guess that is a big part of studying abroad — learning to understand that there are many different lifestyles, ways of thinking and doing things!”

Yasmin Graeml, Journalism student, Pontifical Catholic University of Paraná, Brazil
The Berkeley Experience

“I love how Berkeley brings together great minds from across the globe. Clicking with sisters and brothers from around the world on our paths to knowledge and ambition is the most fascinating gift throughout this exhausting journey. Berkeley stands out for me given its academic prominence in political science, vibrant history of civil rights movements, and all the diverse cultures.”

Joery Chang, Political Science student, National Taiwan University, Taiwan

“If you value equality, diversity, curiosity and inclusiveness in addition to hard-working, dedicated and passionate professors... UC Berkeley would be an excellent option!”

Caroline Hlop, Innovation and Entrepreneurship student, University of Agder, Norway

So much to see, so much to do!

The Berkeley campus is buzzing with life, with more than 42,000 students from California and around the world to create a dynamic and interconnected community. Daily activities, performances and events are common on campus and the surrounding area, and is open to both the student population and the general public.

BISP students are encouraged to participate in student groups, of which there are over 1,000 available to choose from all over campus.

Students often travel to fun and exciting places within California. Common trips include nearby San Francisco, Napa Valley, Lake Tahoe, Yosemite and down the coastal areas to Los Angeles, Hollywood and San Diego. During school breaks they may go out of California to Las Vegas, the Grand Canyon, up the Pacific Northwest to Oregon or Washington, New York, Chicago, Florida, Texas, or a particular favorite, Hawaii.

BISP Makes it Possible

The Berkeley International Study Program (BISP) provides a unique opportunity for visiting international students to take high-quality courses alongside UC Berkeley degree students in a short-term study abroad program for one or two semesters. BISP provides sponsorship and the necessary letter of invitation to obtain a student visa for qualified students, who enroll in courses on a fee-paying basis. The students all over the world, who enjoy the world of taking classes at the world-famous UC Berkeley. They tend to do quite well here and have a fantastic experience both in and outside the classroom. BISP students often transfer these courses back to their home universities for their degree requirements.

BISP students come from a wide variety of academic backgrounds. BISP has its roots in an academic department and continues to maintain a very close relationship with other departments to provide a rich schedule of courses for all students, particularly those in the social sciences, arts, humanities, biological and physical sciences. We have many students from other fields such as business, media, health education, and politics who find relevant courses in these study areas. It is common in the U.S. for students to take courses in subjects outside of their major. UC Berkeley faculty and students greatly appreciate the participation of students from many cultures in the classrooms, making it an exciting and vibrant multicultural learning environment.

BISP provides a well-rounded, enriching experience with dedicated staff to support them. Students also participate in activities planned by our Cultural Peer Mentors, UC Berkeley students who assist with adjustment to the Berkeley campus and surrounding area, and provide opportunities to get to know other students and the culture of Berkeley and the U.S.

The BISP Advantage

- Gain a new perspective pursuing your interests in the U.S.
- Prepare for your future in an ever-increasingly global world
- Engage in a vibrant and multicultural study abroad experience
- Benefit from comprehensive academic and social support from start to finish

“It is a joy to see the joy on the faces of students who have worked hard to adapt to the Berkeley campus and surrounding area, and to see the change they have made in their lives.”

Professor Anthony Cascardi, Dean of Arts and Humanities

Applying to BISP

BISP has agreements with over 60 universities, in over a dozen countries. Most students who participate in BISP are nominated by these partner institutions once they are screened for qualifications which may include academic achievement, proficiency in English, and appropriate study fit. Those from a non-English speaking university must demonstrate this with a TOEFL (90 or higher) or IELTS (7.0 or higher) test score. Please go to http://bisp.berkeley.edu/programs and click on the link for BISP Partner Universities to see a complete list of our partners.

Students who attend a partner university should inquire at their university’s International Office for procedures and deadlines to apply locally for a nomination to attend BISP. We recommend doing this as soon as possible as their deadlines will be earlier than the dates listed below.

Students who do not attend one of our partner universities may apply directly to BISP as an independent student, also called “freemover.” Information about this process can be found on the link above. BISP will accept a limited number of students who qualify, if there is space in their chosen area of study.

The general period of time in which BISP accepts independent inquiries for each semester is listed here:
